DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 16-20 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Parker (USP 5,600,231). Parker discloses a switch (14) connected in series with diode (26) and battery (30).
2. Claims 1-15, 21-23, 25-27, 29-31, 33-41 rejected under 35 U.S.C. 102(b) as being clearly anticipated by Autry et al. (USP 6,294,766). Autry discloses a battery, a switch and a by-pass circuitry (charge and discharge) all in parallel with each other.

Response to Arguments

3. Applicant's arguments filed 3-3-04 have been fully considered but they are not persuasive. Parker discloses the claimed subject matter of claims 16-20. Parker discloses a means for limiting current a switch, and a means for bypassing current a diode.
4. Applicant's arguments with respect to claims 1-15, 21-23, 25-27, 29-31, 33-41 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
